

Are you a teacher who has a learning disability or ADHD?

We are looking for teachers who are neurodivergent* (has a learning disability or ADHD) who use technology with students in their classrooms.

The purpose of this study is to explore the feelings and beliefs of teachers who are neurodivergent on:

- Using technology with students
- Support to use technology
- Emerging technologies

WHAT WE NEED FROM YOU:

- Complete a short questionnaire on demographics and technology use
- Attend a Zoom session (about 90 minutes) with a small group of teachers who are neurodivergent
- Answer questions on your experience, beliefs, and feelings about using technology in your classroom
