

# Do you have experience with Section 504 of the Rehabilitation Act?

## **What is our purpose?**

We are interested in learning from students with disabilities and/or families of students with disabilities about their experiences with Section 504 in schools.

## **Who can participate?**

You must either be: a student (aged 12 or older) who applied for or currently receives Section 504 supports from your school OR the family caregiver of a student who applied for or currently receives Section 504 supports from school.

## **What will you do?**

You will complete a short demographic survey. Then, you will participate in a zoom interview for 1-1.5 hours. After the interview, you will be asked to check your interview summary for accuracy.

## **How can you enroll?**
